Identity Guard is a proactive privacy and identity theft protection service that delivers premium solutions to help busy families and individuals take control over their personal and private information. As the need for information protection grows, we continue to provide comprehensive products that will enable consumers to react and help protect their personal information from evolving technological threats.

Our Mission

Our mission is to educate and empower every person to take control of their personal information to avoid fraud, theft, or misrepresentation of their information.

A Changing Field

Protecting consumers' identities has always been our number one priority – and we've come a long way since starting out as a provider of basic credit reports. As the threat of identity theft has grown — and our customer needs have changed — we've stayed ahead of the curve.

Today, our award-winning services offer comprehensive solutions that extend beyond the basics —we also help protect your financial information, personal data, computer, privacy and much more.

We're proud to deliver products and services that meet the contemporary needs of both consumers and business clients. Identity theft protection can enhance a business' outreach and engagement with their customers and employees.
