#### Simplify your life.

**LastPass manages your online life so you don't have to.**

#### Unlimited Password Storage

Once you save a password in LastPass, you'll always have it when you need it, so logging in is fast and easy

#### Keep Digital Records

Insurance cards, memberships, the Wi-Fi password - keep all your notes safe and easy-to-find

#### Simplify Online Shopping

When you're ready to make a purchase, your profile will fill all your payment and shipping details for you

#### Effortless Password Sharing

Some things shouldn't be sent in a text. Conveniently and safely share passwords or notes with anyone.

#### **NOW FREE! Take It Everywhere**

Save a password once, and it's instantly available on all your devices. LastPass goes everywhere you do.

#### Meet Dashlane.

**The simple, secure way to manage your passwords.**

**The password manager, perfected. Never forget another password.**

Never misplaced. Never forgotten.

Dashlane securely remembers all of your passwords.

- \* Generate unique passwords to protect your accounts and identity.
- \* Secure passwords on your device, where only you have access to them.
- \* Watch Dashlane enter them for you with 100% accuracy on every website.
- \* Have your passwords at your fingertips on every device you own.

**Only you have the key to your protected passwords in Dashlane.**

- \* Never forget another password
- \* Never type another password
- \* Instant security alerts
- \* Generate strong passwords
- \* Auto-change passwords
- \* Have your passwords, wherever you go

The bottom line: You are always more protected with Dashlane than without it.

#### Don't get hacked. Get Keeper.

Manage your passwords and files in your private Keeper vault, access them from any device and securely share them with friends, family, and colleagues.

- \* Never forget or have to remember passwords again
- \* Log into your websites and apps with a touch of your finger
- \* Stop hackers with strong passwords
- \* Log into your sites and apps quickly with KeeperFill™
- \* Store more than just passwords - Keeper also protects your private files, photos and videos in your digital vault
- \* Migrate passwords to Keeper with ease
- \* Easy two-step verification
- \* Works on all your mobile devices and computers
- \* Protect your family's digital life and legacy

#### Make life easier with the top rated password manager

You'll never need to remember or type your passwords again

- \* Choose your master password
